

Ready for the New Start of Rebalancing World Powers?

The Trump Secret: Seeing Through the Past, Present, and Future of the New American President

Ryuho Okawa, who had foreseen Donald Trump's victory in January 2016, now forecasts how Trump will approach unifying America and strengthen a worsening world economy while interacting with friends and adversaries abroad. Trump may surprise us all yet again by utilizing a unique style not seen since the days of George Washington. And you will find out how in the pages that follow.
